

The HOPE Scholarship: Quality Higher Education for Everyone.

Harry Geisinger will fight for
the HOPE Scholarship.

“I voted to protect the **HOPE** Scholarship and will continue to make sure **HOPE** dollars are spent on education and not pork-barrel projects.”

- Harry Geisinger

Harry Geisinger understands the importance of a good college education and is committed to protecting the HOPE Scholarship.

Harry Geisinger will lock down HOPE dollars so future generations can benefit from a college education, regardless of their income.

Harry will support Governor Perdue’s HOPE Chest Amendment that ensures ALL lottery money is spent on educating our youth, not wasted on pork-barrel projects. The Atlanta Zoo will never again receive money that is intended for OUR Children.
